

7 Samantha Carley McDean
8 Is a whirling hoola hoop queen.
6 With five hoops on each arm
6 And ten more round her waist
5 She strolls through the town
5 With ~~charm~~ and with grace,
Beauty

~~She can't bear to stop~~
~~She's hoping one day to set a world record~~
~~And a world record she soon hopes to set;~~
9 ~~So she practices~~ Every day at a quarter
past three,
8 The neighbors all gather to see

She knows if she
~~She can't bear to stop~~ and let her hoops ^{will all} drop
So she shimmies and shivers and shakes
With a swoop swooping sound
all the way out of town
She's sure to return with a medal or
Crown

~~That~~ Samantha Carley McDean
The hoola hoop queen.
